Car parking in central Bath is restricted as a result of the limited amount of space available. The information put together in this document should enable you to understand the options you have for parking in Bath and help you to decide on the best solution for you.

In the first instance **we recommend that you do not come to Bath by car.** We are very close to the bus and train station (2 – 5 minutes walk). Nowhere in Bath is more than a 20 minutes stroll and bus services are very good. If this is not possible, the following options are available:

■ No hotel nor guest house in the city centre has its own car park. However, there is a secure public car park very close to Abbey Green, in Southgate.

■ Southgate is a long stay car park. You can park in it 24 hours a day. Long stay permits are available if you order in advance, telephone 01225 469061

■ Manvers Street is another long stay car park close to Three Abbey Green and Abbey View. You can park in it 24 hours a day. It is free overnight from 20.00 until 08.00. Charges as per Southgate.

■ Street parking is free every evening from 18.00 until 08.00 and all day on Sundays in designated boxes and on single yellow lines.

■ For visitors who stay several days and will not need their vehicle during their visit, we can direct you to where parking is FREE – just outside the city centre parking zone. This will involve a pleasant fifteen minutes’ stroll back to the city centre.
